Silver Stars Nursery School Language Policy

The language of instruction at Silver Stars Nursery School is bilingual (Afrikaans and English only).

IN ORDER FOR YOUR CHILD TO BE CONSIDERED FOR ENROLMENT AT SILVER STARS NURSERY SCHOOL, HE/SHE MUST HAVE EITHER AFRIKAANS OR ENGLISH AS THEIR HOME LANGUAGE.

MOTHER TONGUE – The term "mother tongue" refers to a person's native language — that is, a language learned from birth.

HOME LANGUAGE – is considered the language spoken at home and it does not necessarily have to be the mother tongue.

LANGUAGE OF INSTRUCTION – is the language in which the child is educated.

Silver Stars Nursery School is a registered educational institution where we are focused on helping children reach their age specific developmental milestones and outcomes.

Children from the age of 3 years must have age-appropriate linguistic skills in English or Afrikaans to be allowed admission.

It is the parent's own responsibility to take remedial action, should the chosen language not have developed appropriately. Proof must be provided that remedial action such as speech therapy is being taken.

I hereby accept that the school, owner, principal, management and staff of Silver Stars Nursery School will not be held responsible or be liable whatsoever for bridging my child's language barrier (if applicable).

I hereby accept that the school management's assessment of my child's language proficiency is final with regards to the admission of my child.

I, parent of _____ therefore accept the responsibility to take my child (turning 3-years of age) to a qualified speech therapist when I am notified by the school/my child's class teacher that my child has difficulty understanding the language of instruction in the class.

I hereby confirm that I understand Silver Stars Nursery School's Language Policy.
